

12 Easy Winter Nature Activities

Simple ideas for children aged 1–6

1 Winter Colour Hunt

Look for green, brown and silver on a winter walk.

2 Bark Rubbings

Place paper against bark and rub with a crayon.

3 Ice Discovery

Watch ice melt in a bowl and notice what changes.

4 Winter Treasure Basket

Explore large pinecones, bark and evergreen sprigs.

5 Twig Trees

Arrange twigs on paper to make a winter tree.

6 Bird Watching

Watch garden birds and copy their movements.

7 Paper Snowflakes

Fold and tear paper to make simple snowflakes.

8 Pinecone Painting

Dab pinecones in paint to make woodland prints.

9 Cosy Nature Stories

Choose a woodland toy and tell a winter story.

10 Evergreen Printing

Press painted evergreen sprigs onto paper.

11 Woodland Animal Dens

Make cosy little dens for toy woodland animals.

12 Winter Small World

Create a snowy toy world with white fabric and blocks.

Keep it simple, slow and playful — nature offers plenty
